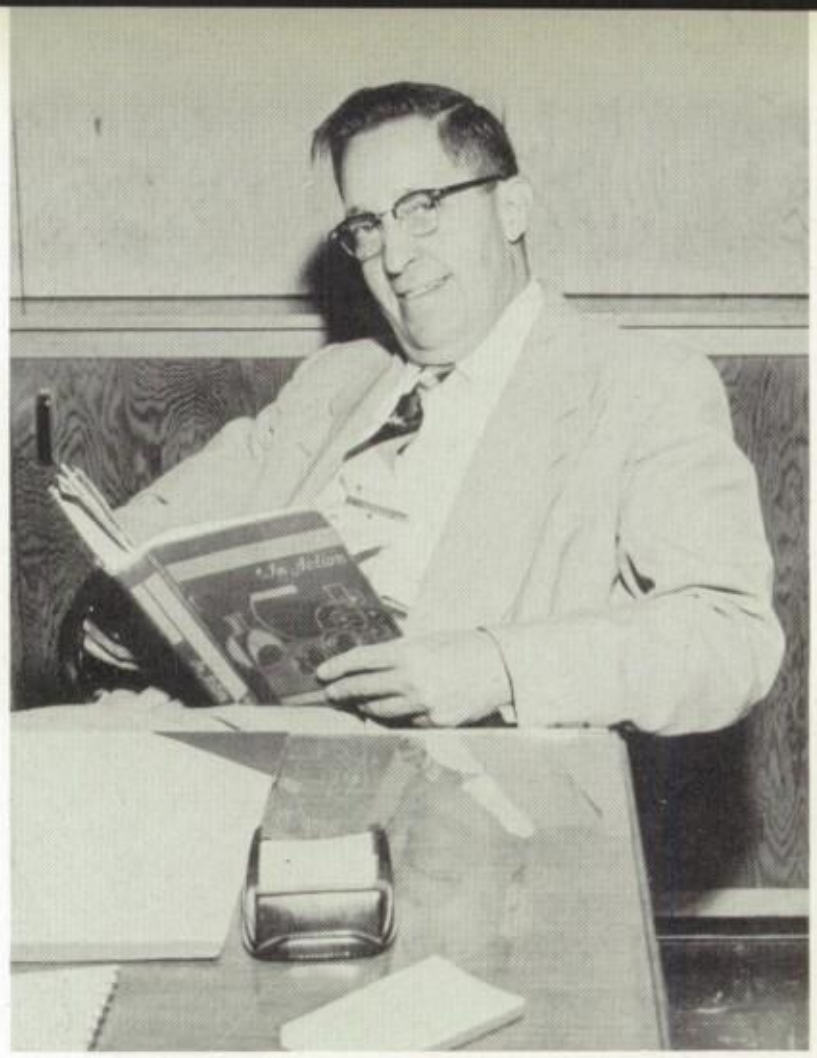
JOHN R. CHILDS, SUPERINTENDENT



Mr. Childs has a B.S. degree from Michigan State Normal College and an A.M. degree in education from the University of Michigan. His main interest is political science and his pet peeve is students who lack ambition. He has been jolly and willing to help everyone in his five years at Breckenridge.

Under his experienced eye, BHS now has the largest enrollment in its history. Due to this increase a more varied program of courses is being offered, thus better preparing the students for their individual ambitions.

BOARD OF EDUCATION

SENIORS

OFFICERS, left to right: Madelyn Rowe, President; Lorraine Flauding, Treasurer; Dorothy Lutz, Secretary; Lewis Hetherington, Vice-President.

ADVISOR: Mrs Pauline Town

Four years ago sixty-nine boys and girls entered the halls of BHS, as shy, bashful freshmen. During the first year they sponsored a roller skating party, a sock hop, and an assembly. They were very proud that a classmate, Beverly Weburg, was elected Homecoming Queen. This was the first time in the history of BHS that a freshman girl had received this honor.

During their sophomore year, they became acquainted with the school and its traditions. This year they sponsored a variety assembly which was a big success. Frank Sinclair was the class advisor the first two years.

Their junior year was high-lighted by the dramatic production of "Beauty and the Beef" and the annual Jr-Sr Prom and banquet. A benefit roller skating party was sponsored by the class and members sold pop corn at home games. They selected silver and mint as their class colors and the yellow rose as class flower. "Today we follow; tomorrow we lead" was chosen as the class motto. George Bucher was the class advisor this year.

Fifty-one returned as seniors in the fall of "55" with high hopes for the future. Through the year they sold magazines and presented a three-act comedy, "Strictly Formal". Nancy Rhoads was elected Homecoming Queen with Lorraine Flauding and Susan Crawford as members of her court.

Madelyn Rowe, senior class president, in speaking for the group says, "We are grateful for the knowledge gained from our instructors. During our four years at BHS, we have acquired many pleasant and not so pleasant memories and they shall remain with us always."

"It is with regret that we leave these halls of BHS, but we face the future with anxiety and great anticipation."

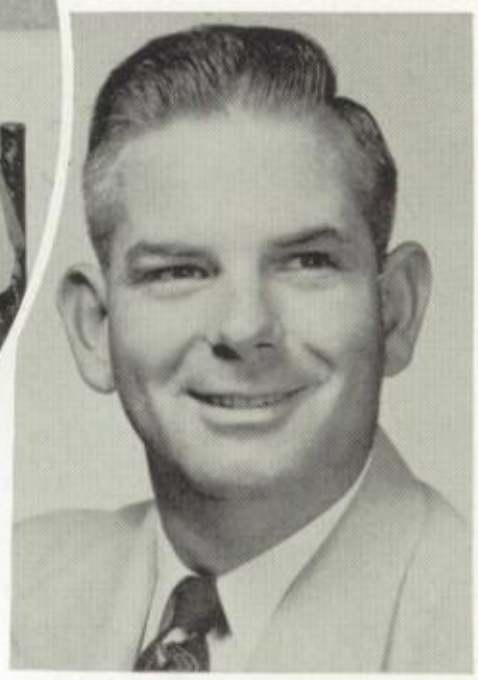
CLASS OFFICERS, left to right: Kurt Rotermund, Treasurer; Duane Dice, President; Raymond Schaub, Vice-President; ABSENT: Russell Cook, Secretary.



ADVISOR: William Hendry

This class can be credited with starting two ideas that may become traditions at BHS. One was a "Slave Day" in which members of the class were "sold" for a meager sum to a buyer for whom the "slave" had to work for a day. The "slave" would do such odd joys as carry books to class, clean out lockers, etc.

The other plan originated by this group was "Du Day"--a day when everyone would dress-up.

The class also sponsored the traditional Junior-Senior Prom and banquet, the social highlight at BHS, and the annual junior play.

Representing the class in the Student Council were Dale Snell, Judy Marsh, and Suzanne Swope. Lydia Velie was chosen to ride the Queen's float.

FRESHMEN

OFFICERS, left to right: Carol Williams, Historian; Kimnaloo Willman, Vice-President; Maida Clark, President; Dorothy French, Secretary; Doral Gallihugh, Treasurer.

ADVISORS: Otto Bacon Mrs. Wilma Beisel, Harol Beisel.

Ninety-two freshmen made up the largest class ever to enroll at BHS. However, only eighty-seven remain. They were very timid, but were bursting with excitement and soon they were taking part in the school activities.

Freshmen Initiation (of which they were the victims) was their most memorable occasion. Initiation stunts ranged from throwing rotten eggs to proposing to each other.

Alumni returning for Homecoming festivities found the class of 1959 being well represented with two floats. Maida Clark was on the Queen's Court.

Dewey Crawford and Maida Clark were the freshmen's Student Council representatives.

We Were First To . . .

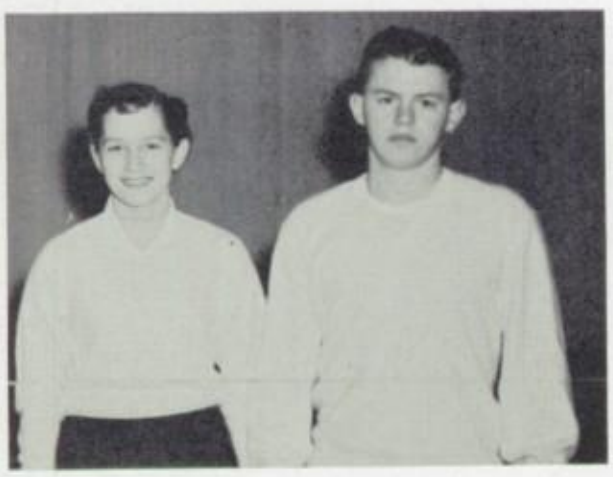
This year held many "firsts" for BHS students and teachers. Mechanical drawing and art had their initial year as single classes; the Teachers' Club was formed; and the junior class held "DU" (dress up) day and Slave day. The former second semester speech class was replaced by a course in poetry and dramatics appreciation.

We Wore . . .

Students went through various fads during 1955 and 56 --- fads ranging from the top of their haloed heads to the tip of their booted toes.

Haloes --- although heaven knows we're not angels.

Campus boots --- perfect for "spur-of-the -moment" school skipping.

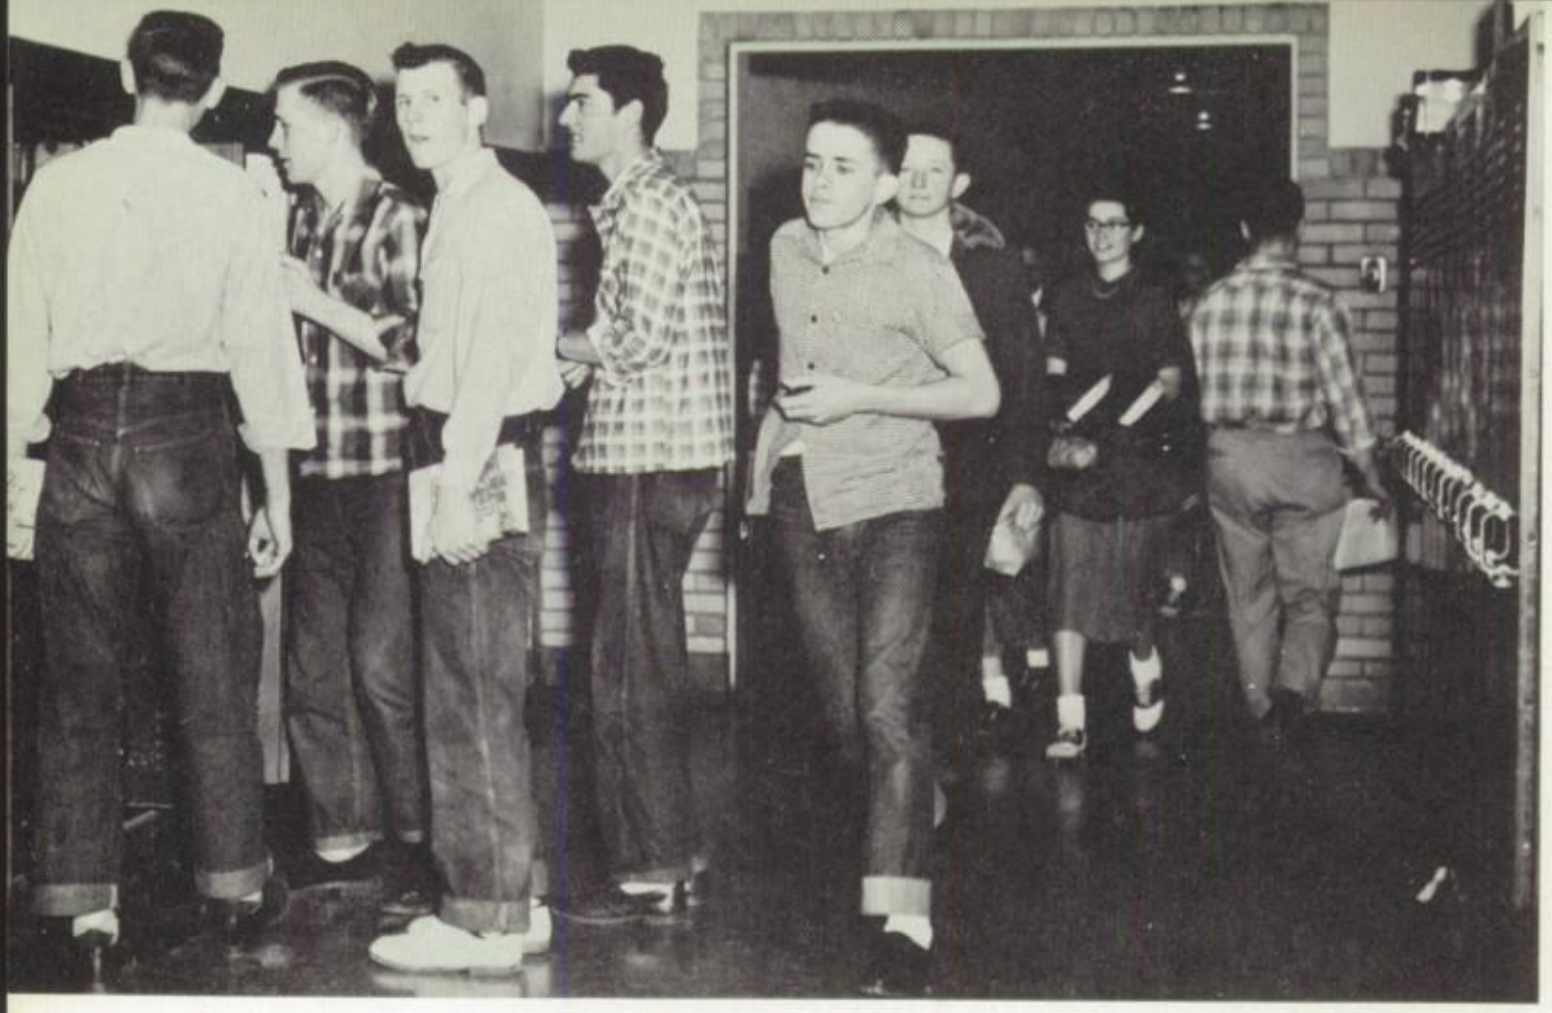


Matching V-neck sweaters for steadies.

Cool, crazy vests.

"Brrr-"mudas and knee socks.

He wore black denim trousers and motorcycle boots ...



Another day begins.

STUDENT COUNCIL ●

The Breckenridge student council is a representative type of student government. It consists of five seniors, four juniors, three sophomores, and two freshmen, including class presidents.

The purposes of the organization are:

1. To promote the general activities of the school.
2. To unify all student organizations under one control.
3. To develop in the students a growing appreciation of membership in democracy by providing the educative responsibility of, and the privileges of participating in, such a democracy in the school.
4. To foster sentiments of law and order.

Officers this year were: president - Agnes Zsoter; vice-president - Madelyn Rowe; secretary - Maxine Gross; treasurer - Charles Dicken; and advisor - Mrs. Pauline Town.

HUSKIE HOWLER STAFF

During the past year, the Huskie Howler Staff worked very hard to give their reading public a complete report of school happenings.

Each staff member learned the importance of being reliable, accurate, enthusiastic, and loyal toward their work.

Under the direction of their advisor, Mrs. Pauline Town, the staff worked toward paying in part for the new mimeograph machine purchased by the school.

This year the staff sent news stories from the paper Saginaw News, the Gratiot County Herald, and the St. Louis Leader Press.

ANNUAL STAFF

The staff as a whole worked diligently to make this a modern and streamlined yearbook to fit the contemporary trend of the world today.

BIBLE CLUB

The Bible Club was organized in October, 1954 with several members. A meeting is held every Friday noon from 12:15 to 12:45, and every two weeks there is a special speaker. On alternate weeks one of the students takes charge of the meeting. Their motto, "United to Make the Gospel Known", was emphasized on a float which they entered in the annual Homecoming parade and some of the students participated in the Thanksgiving program.

The first conference game of the season found the BHS Huskies being defeated by the Hemlock Huskies, 12-7. In the Homecoming game with Seminary the ball club was outplayed 20-6. Breckenridge tied Fulton, 6-6, in the third conference game of the season, and were overcome by St. Charles, 26-19. In the last conference game of the season Merrill and Breckenridge fought to a 7-7 draw. The boys finished the season with a 25-25 tie with St. Louis.

• SENIOR PLAY

"Strictly Formal," a three-act comedy, was presented to the public by the above members of the senior class. With the Senior Dance only eleven days away, Jane and Sally have no dates. Their boyfriends, George and Jim, haven't said a word. Their efforts to "bring the boys around" seem wasted when Sally's house guest, Marcia, appears with the "go-get-um" tactics. Everything ends peaceful on the home front with the couples leaving for the dance. The senior actors and actresses made it a laughter crammed evening.

JUNIOR PLAY

Phantom of the High School, a three-act mystery, was presented by the above junior class members. Because of the centennial at Benson City there are many last minute plans to be made. The money for the new hospital disappears and detective-minded Mindy seeks the thief with the help of Rick who isn't too enthused in the chase. Evelyn who took the money to avenge Miss Benson, a proud descendant of the founder of Benson City, is escorted to jail by Sergeant Madrigan.

Rick is placed in public stocks for disobeying centennial rules.

At rehearsal for the centennial play, Alan struggles with Rick, the phantom.
